OFFICE OF THE PROVOST AND SENIOR VICE PRESIDENT

Dear Students,

Another memorable year at Elizabethtown College-classes attended, labs completed, plays performed, TV programs produced, poetry read, business models developed, art projects exhibited. What a rich and varied experience! For seniors, this year marks the conclusion of their time at Elizabethtown and the beginning of a new phase of their lives. Let's wish them the very best as they pursue new opportunities to lead and serve their communities.

Among the many highlights of the year, we began a new tradition at the College this spring. Scholarship and Creative Arts Day brought us together as a "learning community." Students shared their work at poster sessions, presentations, and performances. The richness of the educational program was on display as we enjoyed research findings from the sciences and social sciences, took in the work of students in the professional fields, and wondered at the creativity of students in humanities and fine and performing arts. Scholarship and Creative Arts Day illustrated the many and varied ways that an Elizabethtown College education allows students to make significant contributions to the enrichment and greater good of society.

An important feature of the academic excellence at Elizabethtown is the College's commitment to relationship-centered learning. The *Conestogan* is filled with photographs of student groups, special events, residential halls, and athletic teams to illustrate the deep ties among students. These important relationships provide support and friendship, while they also reach new perspectives and understandings of the world. Learning in the context of relationships-with other students, faculty mentors, and staff and administrators-is a type of deep learning that lasts a lifetime, just as the memories of those relationships will endure for years to come.

John Dewey, a great educational philosopher of the early twentieth century, said that education is not preparation for life but life itself. I agree with Dewey. Let's not create a distinction between learning and life but understand and celebrate life-its challenges, its joys, its losses, its achievements-as an unfolding experience that never ceases to teach us about ourselves, our community, and the wider world.

With warmest wishes,

Susan Traverso
Provost and Senior Vice President

CAROLE L. ISAAK
ASSISTANT DIRECTOR, ACADEMIC ADVISING
AND
LECTURER IN ENGLISH

What has been your favorite moment as a professor?

My favorite moments as a professor have been when former students have asked me to participate in their weddings. It overwhelms me that what I said in the classroom, often years before, has had such a dynamic effect on them that I am included in their most meaningful life experiences. It blows me away!

What or who inspires you and why?

I am inspired by my students almost on a daily basis. Students who practice time management effectively also manage their lives fairly well. Students who deal with personal tragedy teach me coping skills I envy. Students who "don't have a chance" prove me wrong over and over. Students see inequities and respond to them with insight I do not have.

What motivates you as a professional?

I am motivated as a professional by my profession! Teaching keeps me active, alert (at times!) and responsive. Teaching keeps me young and forces me to use my mind. It is very public and social, open and democratic at its best. I can't imagine doing anything else.

How do you live out the college's mission to Educate for Service in your everyday life?

Educate for Service might imply a responsibility to volunteer. When I first came here, I responded because of a perceived charge. Now I see that I have had the opportunity to participate in the lives of others. I have knowledge that is unique and allows me to share that with others to create a sense of community=sharing experiences. It is a part of my life to give and to receive.

What do you perceive as the benefit of E-town's commitment to relationship-centered education?

The relationship-centered education has given me permission and encouraged me to form lasting relationships with my students. The student/advisor/instructor relationship changes constantly, but what is incredible is that some of them last, and last for a really long time. It transcends the books we have shared and becomes a part of the lives we come to share and to know.

spotlight

What has been your favorite moment as a professor?

My greatest moment as professor was mentoring two students from freshman year to their last year and being a part of their achieving the "Outstanding Business" award in the Business Department. Being a part of their growth and development which culminated in this achievement has been a great moment for me as their mentor. In my opinion this is what being a College Professor is all about.

What interested you to pursue your field of study?

I met Thurgood Marshall some time ago and he influenced me in going to law school. I was intrigued by how the law could be used to protect ones rights. He convinced me that their was no greater way for a person to help themselves and others than by knowing what rights they have and fighting to protect them on a daily basis.. I was convinced that being a lawyer was a best thing for me.

What motivates you as a professional?

I have the desire to always be the best. No matter what I am doing it is important to me to always bring you're a game. So I work very hard to insure that my best effort is given in whatever I am engaged in at the time. It is not acceptable to give a C effort. In fact if less than an A effort is asked for I will not be involved in the activity. Being the best at whatever I am doing drives me to excel in the activity.

What is something quirky no one would ever have known about you?

I love to smoke cigars and listen to classical opera music!

Elizabethtown and teaching aside, what interesting hobbies or activities are you involved

am an avid golfer and have on 11 handicap.

LINDA J. LOKEY
HOST OF THE MARKETPLACE,
DINING SERVICES

What or who inspires you and why?

I would have to say that my students have inspired me on and away from my job. They have given me encouragement during hard times and have always shown me respect and love.

What motivates you as a professional?

What motivates me as a professional also my students. Coming from a family of 13 we were always brought up to help others; I consider myself a team player for Dining Services as being one of the team. I always help out where I can and always jump in where needed.

If you could choose any other occupation, what would it be and why?

I have had many jobs over the years but I would have to say this is the best one so far. I managed a toy store at the Harrisburg East Mall where that job consisted of traveling to New York to buy toys for Mall Toys, but my job here at the College has been much more rewarding. Where else can you go for a job and meet the people I have met? Also every August I get to have 400 - 500 students who come into my life who again showering me with love.

Elizabethtown aside, what interesting hobbies or activities are you involved in?

My hobbies are camping, planting flowers and the beach; the constant roar of the ocean gives me peace and serenity.

Elizabethtown has always been a place I consider calling home. Looking back as a senior, I attribute a majority of my great success at E-town to some major activities and organizations in which I was involved. Noir B.S.S., Blue Faze Step Team, and being a Biology Allied Health Major have all been huge factors in my college career. Although Biology is a very demanding major, I have found that with assistance from all Biology staff and professors that my stay and success in the program have not only enhanced my love for my major but also for the entire Biology department. In addition to my major my involvements with Noir B.S.S. and Blue Faze Step Team have also been great experiences. I am proud to say that I have had the privilege of serving not only as a founding member and Secretary of Noir B.S.S. in November 2004-2006, but also as the acting President in 2006-2007. Noir enabled me to join an organization of Black and African American minorities on campus who seek to inform and educate the campus on Black and African American issues and history. This club has served as a way to create new friendships and introduce individuals with a desire to educate others on Black and African American issues to the Elizabethtown College campus and surrounding community regardless of race or ethnicity. Not only has Noir been a way for me to have fun and become involved, but I have also been a member of the Step Team since 2004. Stepping has allowed me to engage in performance outside of the E-town community and visit other schools to help them express themselves through movements of bodies and sound. Although Elizabethtown is growing each year in terms of students, diversity, and programs I am proud to say that I have been a part of making history at Elizabethtown. I saw E-town as my garden and naturally I chose to cultivate and I must say that beautiful blooms have come forth.

Being a Blue Jay volleyball player has molded my college experience at E-town. For as long as I could remember, I watched my parents run a volleyball league at our local elementary school. At a very young age, I fell in love with the sport. After overcoming my fear of spandex and realizing that despite my height, basketball just wasn't for me—I knew volleyball was it! When entering college, I never imagined that a game I enjoyed so much could provide me with so many opportunities. As a freshman, being an athlete supplied an immediate circle of friends and supporters on campus. We learned from the upperclassmen and eventually grew into leaders and role models ourselves. Being a student-athlete at E-town has provided me with a family of teammates, coaches, and some of my most treasured friendships. Only my teammates have spent so many hours with me...traveling by bus, plane, or van...walking through fast food drive-thrus...or playing Cramm. The fellow seniors and I have seen our program grow exponentially over the past 4 years. This year we were able to win the program's first Conference Championship and represent E-town at the NCAA Championship Tournament, receiving recognition at the regional and national level. We have traveled from Pensacola, FL to Boston to St. Thomas in the Virgin Islands. However...it wasn't always a day at the beach. Being a student and an athlete requires a lot of time, a lot of work, and most importantly a lot of heart. But looking back over the past four years—the rewards have greatly outweighed the struggles. It's been an incredible journey...it is hard to believe it is coming to an end.

Student government has always been one of my major passions, and was intensified when my fellow classmates elected me as the Class of 2008 Secretary freshman year. Through my four years in the Student Senate I have learned a great deal about Elizabethtown and its operations and particularly the role of the student government in those processes. I have also been able to see how the Senate serves or disserves its constituents. Student government should serve to ensure that student concerns are addressed with each other and with a college's administration, faculty, and staff in a time and professional manner with effective results. If a policy does not work in the community, it needs to be addressed and it can be through a properly functioning student government. The Student Senate has strived over the past four years to achieve these goals; however, like all student governments, it has been afflicted with large amounts of turn over and a limit of about eight months to accomplish its goals. It is also subject to the influences of a few and difficulty in representing the student body as a whole. It's my hope that as the years progress, the Senate may return to its former stature and effectiveness by moving beyond its current hour of darkness. I hope that my legacy in the Senate and the student body is a legacy of challenging norms and fighting for positive change in the lives of students. I hope that future generations of "Etownians" will become more actively involved in their own governance in order to enhance their quality of life and ensure their rights remain intact.

My involvement with the Fine and Performing Arts Department did not contribute to my life at E-town rather, it was my life at E-town. A day would not have seemed complete if it was not filled with at least five rehearsals. Although exhaustion was always a concern, I embraced the challenge of a music major's schedule and as a result broadened my musicality and my appreciation of art. An active member of multiple vocal and instrumental ensembles, as well as various divisions of theatre and dance, I chose an extensive education of integrated arts at Elizabethtown College. The knowledge and skills that I acquired during these rehearsals and performances transferred from group to group allowing me to advance my artistic abilities. In academics, the musical knowledge that I gained in class and in rehearsals was applicable to my practice in dance. As an Emotion choreographer, I had the ability to match movement to music rather than just counts. In turn, my experience in Emotion offered me an improved awareness of movement on stage. I was able to relate this awareness and fluidity to my involvement in theatre. Acting in the college's theatre productions granted me a sense of comfort and confidence that I would later employ in concerts and recitals to relieve nerves and performance anxiety. It was the combination of each of these ensembles and groups that created the musician, singer, instrumentalist, dancer, thespian, and most important, educator that I have become. The life of an artist (or schedule of music major) might not be the most ideal, but as the FAPA Department at Elizabethtown College has verified, it is the life for me.

Upon reflection on our four years at Elizabethtown College, I conclude that to graduate as students in the truest sense is not to have been educated, but to have chosen to engage in learning. The Blue Jays have joined a community founded on education for the service of others, and when we participated in the active process of learning outside lecture halls is when we fully embodied this motto. Many of our most shaping experiences were the ones we earned by applying our talents beyond the classroom, by choosing to take our education into our own hands. Like many others, I grew in character and integrity by reaching out to my peers. I oriented new students to Elizabethtown as a Peer Mentor and advocated student rights as President of the Student Senate. By choosing these commitments I learned lessons I could never have gained by a mere passive acceptance of an education. Every day students of our College learn by serving others, by athletic or artistic achievement, by charity and humanity, by mentorship and friendship; every day students learn by doing. As we move forward in our lives, let us not forget how much is learned by immersion in action. Elizabethtown College prepares us to be lifelong learners, committed to improvement not simply for our own gains, but especially for the benefit of others. As Blue Jays, we chose to engage our education in many and various capacities; as alumni may we choose to engage our lives with as much excitement and fervor. I challenge you to choose to live by doing.

SENIOR WEEK

Food & Fun

Elizabethtown College's Senior Week 2008 kicked off on Wednesday, May 14th with an old fashioned Pig Roast. The Senior Pig Roast was grilled and smoked to perfection by Hess's Barbecue Caterers of Lancaster. This year was beautiful outside, so attendees enjoyed memories and lots of food on the Brossman Commons Back Patio and Event Space.

The members of the Class of '08 started the second day of Senior Week with 'Starbucks & Memories' at the Raffensperger Alumni House. Seniors enjoyed freshly baked French pastries, fresh fruit, gourmet teas, and Starbucks Coffee as they laughed and cried over the memories pictured in the Senior Slide Show.

Another Etown Senior Week tradition is the Senior Adventure. This year didn't disappoint with fun, thrills, and water! Seniors had non-stop fun with unlimited miniature golf, go-karts, and bumper boats at Adventure Sports in Hershey. Every senior got to be a kid again! Attendees also got the chance to see all the movies they wanted for free at MoviE-town in addition to free bowling at Clearview Lanes.

SENIOR WEEK

Picnic & Awards

In the evening of Thursday, May 15th, graduates were invited to the Raffensperger Alumni House garden for a picnic with the President and the Senior Class Toast. Students were treated with steak hot off the grill, mouthwatering barbecued chicken, and grilled portabella mushrooms in addition to very tempting desserts.

Ted and Betty Long personally welcomed all seniors. A champagne toast was also held to commemorate the years at Elizabethtown. The final day of Senior Week was kicked off with 'The Morning After' breakfast in the Thompson Gym. Students enjoyed Starbucks Coffee, fresh fruit, and baked treats followed by graduation rehearsal.

Seniors were recognized at the All-College Picnic and Seniors' Choice Awards held in the Marketplace. The Class of 2008 waited in suspense to see who won the coveted awards during lunch.

SENIOR WEEK

Baccalaureate

Senior Week came to a close with the 2008 Baccalaureate Service held in Leffler Chapel on the evening of May 16th. The theme for this year's service was "The Good Life." Seniors reflected on their time at Elizabethtown College. Students with many different majors and backgrounds walked on stage and discussed their college experience. Many gave credit to Elizabethtown's environment, its professors, and how this institution has changed them. In addition, the traditional Senior Choir was present and performed several musical ballads. The service ended with an experience similar to the Class of 2008's Induction into Elizabethtown College. Everyone in the chapel lit candles and reflected on Etown and its effect on them.

Following the ceremony, Reflections by the Lake was held by Lake Placida. This event offered a time of fellowship for graduating seniors and their guests and the College's faculty and staff. Heavy hors d'oeuvres and non-alcoholic beverages were served as all anticipated the Commencement Ceremony to be held the next day.

COMMENCEMENT

Elizabethtown College held its 105th Commencement ceremony on Saturday, May 17, 2008. The College proudly presented almost 640 students who completed the necessary requirements to receive a degree. These students represented almost 50 majors and 80 minors and concentrations. Several graduates met the requirements to be inducted into one of the institution's honoraries.

This year, 18 graduates were members of the Elizabethtown College Honors Program. Over 60 international and study abroad students stood among our graduates wearing multi-colored sashes that represented the 23 countries that they called home or were a location in which they studied.

This year's proceedings were led by Grand Marshal Thomas R. Leap '74 and Marshal Jane F. Cavender. President Theodore E. Long and Provost and Senior Vice President Susan Traverso conferred the degrees. The 2008 Commencement Address was given by Arthur E. Levine, President of Woodrow Wilson National Fellowship Foundation. Also in attendance at this year's Commencement Ceremony was the graduating class of 1958. These members celebrated their 50th reunion at the ceremony.

Founders

Founders consists of four-wings (A,B,C,D); each dedicated to four founders. The building houses 318 students, making it our largest residence hall. This air-conditioned, co-ed residence hall offers a unique, living environment. Each floor is the equivalent of a small community, consisting of bathrooms and lounge areas designed to accommodate eight students. A large lounge area connects the wings.

The Saturday Special SDLC hosted their 'Seeds that Grow' program that teaches children about the life-cycles of plants. The children also painted their own clay pots to plant their own flowers at home.

Elizabethtown College's Best Buddies chapter hosted the 4th Annual Walk-A-Thon on April 13, 2008. Proceeds went to our college chapter and Special Olympics Area M.

Sophomore Katelynn Olsavick monitors the music playing on her iHome as she reads from a relaxation script. The relaxation session guided participants in progressive muscle relaxation, followed by a script read to music in order to cue imaging in an ocean setting.

SDLCs

Established in 1992, the Student Directed Learning Communities are housing opportunities within the College-owned homes along the perimeter of the campus. They offer small groups of upper class students the opportunity to create a unique, self-directed living environment, centered on a common theme, issue, or interest through which the group is expected to share and enrich the campus community.

How do the SDLCs help our community?

Best Buddies

The Best Buddies SDLC enhances the lives of people with intellectual disabilities by providing opportunities for one-to-one friendships and integrated employment. The SDLC coordinates programs on campus, organizing events and matching college members with community buddies.

Brightening Our Community

The Brightening Out Community SDLC seeks to help less-fortunate families. Focusing on their efforts on young mothers and their children, the members provide support, care and compassion to the residents of the Milagro House in Lancaster, PA. They strive to promote community awareness and to establish their SDLC as a link between the community and this nonprofit organization.

Diamond House

The Diamond House SDLC advocates for cultural diversity. By incorporating underrepresented ethnic groups, the SDLC members hope to broaden and better-educate the campus community about different cultures. The SDLC visits small groups of neighborhood high school students and the Lancaster REACH program two days per month. To bridge the cultural gap between nearby cities and Elizabethtown, the SDLC encourages the campus to become active in these endeavors.

Green House

The Green House SDLC advocates for environmental protection, while encouraging environmental awareness and appreciation. Together, they promote a prosperous and healthy environment.

Harmony House

The Harmony House SDLC creatively uses music in therapy and education through various contexts in the community to aid in socialization, in relaxation, in cognitive development, in providing outlets for appropriate behavior and in creating leisure activities for older adults, children and the campus community.

Nurturing Underprivileged Teens House

Through mentoring and leadership, the NUT House aids in the development of youth through curricular and co-curricular activities that promote mental and physical awareness.

Physical Awareness Team House

The PhAT House SDLC promotes the importance of physical awareness and healthiness. Through the SDLC members' service, Elizabethtown's children gain valuable team-building skills, along with self-confidence and an appreciation of a lifestyle geared towards healthiness. Relationships are formed stressing the importance of respect for others. Youth learn that physical fitness can be enjoyable and that it is important to be healthy in every aspect of your life. It is the hope of the PhAT House members that they will lead by example and encourage activity in the minds and bodies of the community's children.

Puppy Love

The Puppy Love SDLC supports the efforts of the Susquehanna Service Dogs (SSD) organization by raising awareness about service dogs, executing several projects or raise money for SSD and enhancing their own education by participating in service-learning that is in their field of study. Ultimately, this SDLC hopes to create a new level of awareness and sensitivity toward disability.

Saturday's Special

Through educational and fun activities, the Saturday Special SDLC engages children ages 3 through 12 in activities that foster social skills and development and that provide them with positive role models. This SDLC's motto is: "Nurturing the seeds of today into the flowers of tomorrow."

Treasure & Respect Earth's Environment House

The TREE House SDLC seeks to treasure and respect the earth's environment through hands-on experiences and education for themselves and the community. They promote an understanding of ecological issues and a respect for the earth's environment.

EVENTS

MASTERS CENTER FOR SCIENCE, MATHEMATICS AND ENGINEERING

expanding our campus

Elizabethtown College dedicated the Masters Center for Science, Mathematics and Engineering and its Lyet Wing for Biological Sciences on Saturday, October 20th, during Homecoming and Family Weekend. Recognized at the event were Frank M. Masters Jr., who contributed \$4 million – the single largest cash contribution in Elizabethtown's history – toward construction of the Center, and alumnus Dr. J. Paul Lyet III, for whom the Lyet Wing was named. When its completed later this year, the entire Masters Center project will renovate more than 95,000 square feet and provide an additional 33,000 square feet of science classroom and laboratory space. For more than 70 years, Frank Masters has maintained an interest in mineral collecting, and as part of his gift to Elizabethtown College, he donated a mineral collection that includes museum-quality pieces. His collection is permanently housed in the atrium of the new Masters Center. The Mineral Gallery was dedicated on Thursday, May 1st and contains numerous specimens from around the world including quarries in Pennsylvania, the Andamooka Ranges of South Australia, and various locations in between. In all, the Masters Center was a \$19-million project that has entailed considerable work to update existing science laboratories and classroom space in Musser and Esbenshade Halls, and construction of the Lyet Wing for Biological Sciences.

welcoming 2011

First-year Orientation is a welcoming of the newest Blue Jays to campus. This year, the Class of 2011 had an experience like no other class has had before. All 503 first-year students packed up their belongings and moved into their new residence at Elizabethtown College on Thursday, August 23rd. The new students were welcomed with excitement and enthusiasm by all. Major highlights of the fall orientation schedule include the First-Year Walk, Campaign, and their Induction Ceremony. The First-Year Walk acclimated the newest members of the College community to those in town. Campaign, which was held in Leffler Chapel, was a time for 2011's leaders to shine. Those who wanted to be involved with Student Senate had time to entice their classmates to vote for them in the forthcoming election. In between political speeches, all were entertained by student groups on campus including Phalanx and Melica. Fall Orientation draws to a close with the Induction Ceremony. Held in Leffler Chapel, the Induction was a time for the Elizabethtown College community to welcome its newest members with an official welcome and an Etown pin. Many students grew fond of the college experience through this week and were prepared for classes on Monday morning.

homecoming

Homecoming 2007 kicked off on Friday, October 19th, with the Float-Building Party held at the Elizabethtown fairgrounds. This year's float theme was "Learning." Among the creative ideas for the floats included dedications to Service Learning and Dr. Suess. Later that evening the members of Mad Cow kept the audience laughing with their unique improv comedy skits. Mad Cow alumni were also recognized during this entertaining show. The 13th Annual Homecoming Parade took place on Saturday, October 20th in the morning. The fully decorated floats made their way down Hickory Lane to College Avenue and much of the Etown community and students lined the streets to watch the spectacle. Immediately following the parade spectators made their way over to Brinser Field for the Homecoming Fair. Many of the clubs and organizations sold t-shirts and food and also hosted games that were fun for the entire family. After Brinser Field had been cleared and the floats taken down, students and their families piled in to Leffler Chapel for the performance by comedian Robert Wuhl, who hosts his own show on HBO. Mr. Wuhl had the entire audience laughing, making it a great end to a wonderful day. Finally, Phalanx performed a show on Sunday afternoon bringing the 2007 Homecoming festivities to a close.

10.20.2007

mr. etown

Leffler Chapel was packed to capacity Thursday, March 27th, as students rallied together to cheer on their favorite Elizabethtown College males in the annual Mr. Etown competition. The male version of a beauty pageant is funny, quirky, and overall a good time. Male representatives from each living area are nominated to compete for the coveted crown of Mr. Etown. This year's competitors included Mr. Brinser, sophomore Matt Torresani; Mr. Royer, first-year Tyler Ranck; Mr. Founders, sophomore Steve Juliano; Mr. Ober, junior Maurice Rapp; Mr. Apartments, senior Justin Martin; Mr. Quads, senior Pearse Lombard; and Mr. Off-Campus, junior Mike Azzalina. The men were introduced in an opening video which chronicled their journey to that Thursday evening in March. This year's competition was hosted by senior Lyndsey Mulholland and junior Jake Keeler, Mr. Etown 2007. Jake had an Etown identity crisis because the thought of relinquishing the crown scared him. The nominees entertained the crowd with individual lip sync routines which ranged from a Michael Jackson and Lord of the Rings mash-up to journey of the life of Justin Timberlake and many others. After a brief intermission, the winners were announce. Lombard placed third and Martin, second. The remaining five men waited eagerly to hear the winner. In the end, Mr. Off-Campus Mike Azzalina was crowned Mr. Etown 2008.

3.27.2008

Bourbon Street

The students at Elizabethtown College have many traditions to look forward to from year to year. The Junior/Senior Formal is one of these occasions. This is a time for upperclassmen to shed their sweatpants and sweatshirts and get dressy for a night of good food, good company and great dancing. A change was made this year to the signing of the Junior/Senior contract between Elizabethtown College and the host hotel. With the change, students had to book their own rooms for the event because the contract was only for the dinner and the dance. Many students had doubt in the new system. Nevertheless, the Junior/Senior Committee of Student Senate continued to plan an unforgettable night. This year's theme was Bourbon Street Jazz, and took place at The Four Points Sheraton in Harrisburg. Students were welcome to check-in in the afternoon then get dressed and socialize with their friends prior to the main event. It was beautiful evening beginning with themed musicians who played jazz music during the cocktail hour. Dinner was served. Event goers had a choice of steak or chicken served with potatoes and vegetables. After the main course was served, students enjoyed the cheesecake dessert. Dinner concluded and students returned to socializing. Then the main event started: dancing. The Student Senate had an amazing disc jockey on hand to entertain students. Etown students and their dates then danced the night away and made many memories to talk about for many years to come. Even though the plans started out differently than past years, students were not disappointed with a well planned and well run event!

4.5.2008

all-american tgis

The highlight of every year for the students at Elizabethtown College is Thank.Goddness. It's.Spring weekend. This year's theme was entitled All-American and included many events that are typically thought to be patriotic and representative of the American culture. The weekend was kicked off on Thursday night with extreme juggler Chad Taylor, and ended with an apple pie dessert. Friday night started with a knee slapping performance by one of the college's improve group, Mad Cow. Other events included Hypnotist Gabriel Holmes and Friday Night Franks, which many of the students attended after the hypnotist performance in Leffler Chapel. The highlight of the weekend was on Saturday when the All-American Carnival drove on in to Etown. The carnival consisted of many different themed inflatables, including an obstacle course and human bowling. Dining Services was nice enough to offer their time and provided many kiosks with delicious festive foods such as funnel cakes, hamburgers, hot dogs and even kettle corn! The night was capped off with a trip to the Lancaster Barnstormers baseball game, which was followed by fireworks in the stadium. The weekend ended on Sunday with Pup-E-Palooza, which was a wonderful event where the community members were able to come on to campus and enjoy the weekend as well. Throughout the weekend many movies captivating the American theme were shown, including Forest Gump, American Psycho, and the classic favorite, E.T. Despite the semi-inclement weather, the students were able to keep a smile on their faces and enjoy the most talked about weekend of the year.

into the streets

This year's Into the Streets, a campus and community-wide service project day, was held on Saturday, November 3rd. "Soar Into the Streets" was the theme with the Elizabethtown College Blue Jay as the mascot. The events started on Friday night with a rally, which included a performance by the cheerleaders and a cake cutting ceremony featuring the Etown's one and only Blue Jay mascot. New activities were added to the service project day this year. Some included "Learning to Throw the Disk" with the Frisbee Club, a book drive, Adopt-a-Highway, and meal making. Saturday's festivities started off with a breakfast for the participants. Some of the Into the Streets events took place before or after the actual event. One such event was helping senior citizens winterize their homes. Students involved helped remove summer items out of the houses and also helped to mulch, rake, and paint for the senior citizens. Other participants visited senior citizens in nursing homes and retirement communities, offering yard work, musical programs, games, and clean-ups. Further events included cleaning up Conroy Creek, working with Habitat for Humanity, and painting buildings and murals. An Activities Fair was also held at the Elizabethtown Area Middle School, which allowed children in first through fifth grades to participate in various workshops. The Into the Streets event fits in well with Elizabethtown College's motto: "Educate for Service."

learning to serve

e thon

EThon just completed its second year as an all night event where participants not only stay up all night, but remain on their feet the entire time. Started by junior Amanda Marfisi and an incredible planning board in the Spring of 2007, E Thon was an ambiguous name that no one knew about. Its popularity has grown: over the past two years E Thon has raised over \$12,000 for the Four Diamonds Fund. The Four Diamonds Fund is an organization dedicated to alleviating financial, emotional, and physical burdens of families who have children with cancer. E Thon has seen over 250 students, including most student performance groups, more than 30 faculty members, and new this past year, live bands participated in the cause. This year, coordinator Marfisi, with board members Andrea Matz, Kim Wienches, Joe Klinger, Briana Gieski, Rachel Louison, Elizabeth Sodomini, Stephen Juliano, Leighanne Spitzer, Todd Fidler, Elizabeth Kirk, and Judy Glanc, worked all year long to plan the festivities for the evening including sports' tournaments, a talent show, a fashion show, and raffles. Next year's coordinator, sophomore Autumn Metcalf, with another board will continue to make E Thon a success! Hopefully this event will continue many years into the future and keep on growing!

WALK

relay for life

Celebrate. Remember. Fight back. This was the slogan for this year's Relay for Life at Elizabethtown. The event proved to be a huge success with more than 600 registered participants, 38 teams of participants, and more than 35 cancer survivors in attendance. Together, participants raised more than \$70,000, all of which was given to the American Cancer Society. The Relay for Life is a 12-hour walk to celebrate the lives of people who have conquered cancer, to remember those who lost their battles with cancer, and to fight back against this vicious disease. The event was held on the Elizabethtown College Track, beginning at 8 p.m. on Friday, April 18 and ending at 8 a.m. on Saturday, April 19. This year's event included activities such as soccer and volleyball tournaments, a scavenger hunt, and pie-eating contest, along with entertainment from various bands and Elizabethtown performing groups, including For the Greater Good and Emotion. Teams had the opportunity to take part in theme laps, including favorite superhero and Hawaiian laps. In addition, ceremonies were held to honor the lives of those people who lost their battle with cancer and to celebrate the lives of cancer survivors. The theme for this year's Relay for Life was "Wish Upon a Cure," a Disney-inspired idea. Each team picked a Disney movie to represent their team and use that movie theme to choose decorations for their campsite and for their team T-shirts. The event was coordinated by E-town College's chapter of Colleges Against Cancer (CAC), a collegiate coalition of the American Cancer Society. The planning committee is made up of a group of E-town College students.

4.18.2008

gint

On November 1, 2007, the Elizabethtown College Fine and Performing Arts department presented the fall theatre production of *Gint*. *Gint* chronicles the life of the fictional Pete Gint as he searches to find himself and his place in the world. The play begins in the Appalachian Mountains and follows Gint full circle to the West Coast and then back to the Appalachian Mountains. Throughout his journey Gint hopes to do something great but ends up lying, drinking, getting into trouble, and having more than one sexual misadventure. Linney's *Gint* has three principal characters that remain constant throughout the show, Gint, Sally Vicks, and Oldie Momma, played by junior Sam Gillam, sophomore Emily Grove, and junior Katlyn Howes respectively. The rest of the cast play multiple roles as various characters that affect Gint's life, including razorback hogs, billionaires, lunatics, and devils. They were Mike Gephart, Megan Roberts, Ezra Shatz, Natasha Threatts, Elyse Venturella, and Graham Stokes. In the end Gint arrives back where he started and finds what he spent his life looking for. Among the many people in attendance over the course of the three performances was David Zarko, resident artistic director of the Northeast Theatre in Scranton. Zarko gave several awards to Etown's production of *Gint*. The entire cast received a certificate of merit for their ensemble acting; Barry Fritz, lighting designer, was given a certificate for his specific lighting design; and Michael Swanson, Associate Professor of Theatre, received a certificate for his direction of the show. Michael Gephart and Sam Gillam were also nominated for the Irene Ryan Acting Scholarship competition for their performance in the play. In addition to these awards, Zarko nominated a specific scene, where Gint meets a group of razorback hogs, from "Gint" to be shown at the Kennedy Center American College Theater Festival, which was held in January.

11.1.2007

anne frank

On April 10, 2008, The Fine and Performing Arts department at Elizabethtown College presented Wendy Kesselman's adaptation of *The Diary of Anne Frank* as their spring production. Before the play's premiere in Tempest Theater, two faculty members discussed the historical context and continued relevance to the play. The presenters for this event were Director of the Center for Global Citizenship and Associate Professor of International Relations Bill Ayres and Visiting Professor of Hebrew Bible Erika Fitz. In addition, the College sponsored several other events on campus focusing on the Holocaust. One event included a presentation about why the United States took so long in responding to the Holocaust, held by Associate Professor of History David Brown. The play, originally written by Frances Goodrich and Albert Hackett in 1955, is based on the journal of a family's struggle while hiding from the Nazis in Amsterdam during World War II. Kesselman's adaptation was written for the 1997 Broadway revival, which starred Natalie Portman as Anne Frank. First-year Emily Knitter portrayed Anne in Etown's production of the play and senior Mike Gephart played Peter Van Daan. Many production companies around the world have performed *The Diary of Anne Frank* and Elizabethtown's Fine and Performing Arts department and Director Michael Swanson did a great job with their rendition.

CLUBS

CLUBS AND ORGANIZATIONS

Alpha Mu is the professional student organization for music therapy majors on campus. They strive to learn more about their field as well as those they will encounter in the working world. In addition, they advocate for music therapy by volunteering in many ways. Whether Alpha Mu is providing a recital for children or for older adults, they are always learning about their profession, serving others, and growing as individuals.

Best Buddies is a program that matches college students with individuals from the local community with intellectual disabilities. The chapter pairs individuals in one-to-one friendships and organizes monthly group activities. Activities in the 2007-2008 school year included a Fashion Show, a Walk-A-Thon, and a Hawaiian Luau.

Biology Club is a student run organization focusing on the biological sciences. They work with wetland

restoration. The club assists in the planning of events both enjoyable and educational for students and faculty to enjoy including a club trip. Biology Club tries to encourage its younger students through a buddy system with older students.

The *Cheerleading Club* performs at all home men's basketball games and some of the home women's basketball games. They have also attended a few competitions in recent years. The squad is selected based on tryouts. The Captain this year was Lisa Wherley.

Circle K is an international organization of which Etown is one of the largest chapters. They do community service in a smorgasbord of areas including but not limited to working with children, the elderly, animals, and special needs persons. Circle K's three tenants of success include service, leadership, and fellowship.

CLUBS AND ORGANIZATIONS

The mission of *College Republicans* is to further the principles and objectives of the Republican party, by partaking in a wide range of activities, both on-campus and off. While the CR's main focus during an election season is on electing Republican candidates, other activities include attending state and national conferences or even holding debates and protests on our campus.

Colleges Against Cancer is a national collaboration of college students, faculty, and staff dedicated to fighting cancer, volunteering for the American Cancer Society, and improving college communities by instating and supporting programs of the American Cancer Society.

The Conestogan is a reminiscent collection of the past academic year. The mission of the Conestogan is to facilitate a greater sense of community among the Elizabethtown campus, to bring together more closely the various departments and events at the College, and

to keep fresh in our memories each year of increased student activities and college spirit.

ECTV-40 is Elizabethtown College's very own television station. The TV Station is student run by a Board of Directors and broadcasts two original programs: E-town Tonight, a news magazine show, and E-town Spotlight, an interview style show. Along with these original programs ECTV also covers many campus and community events such as Mr. Etown, Emotion showcases, Mad Cow performances, high school football games, Blue Jay basketball and the Elizabethtown Holiday Parade.

The mission of the *Education Organization* is to provide an atmosphere in which future educators feel safe, accepted, and motivated to become successful teachers. The organization's members actively participate in volunteer projects through local schools and organizations throughout the school year.

CLUBS AND ORGANIZATIONS

Emotion is a club at Elizabethtown College that provides a creative outlet for students who are interested in dance and physical well-being. Emotion also strives to promote an understanding and awareness of dance, as well as to enhance the cultural life of the college community. The group performs a fall and spring show which is well attended by those of the college and the community.

The Etownian, Elizabethtown College's student newspaper, strives to provide accurate, objective, reliable and convenient coverage of news relevant to the Etown College community, while maintaining a high level of professionalism and journalistic integrity. The Etownian offers a forum for dialogue and debate between students, faculty, staff,

administrators and alumni, as well as an opportunity for writers, photographers and Board members to develop invaluable experience in the field of journalism.

Hillel is home to Jewish students and professors as well as all those interested! They strive to provide a comfortable and fun environment to share traditions, holiday celebrations, tolerance, important discussions, and other cultural landmarks, as well as social action events.

The goal of the *Honor's Council* is to provide the Elizabethtown College community and the neighboring community with a group of leaders and scholars who are willing to take a stand and make a difference through the sponsorship of activities and community service.

CLUBS AND ORGANIZATIONS

The mission of Elizabethtown College's *International Club* is to provide the opportunity for the campus to interact with others who are interested in learning more about different cultures and countries. The International Club is open to everyone and encourages community members from both the U.S. and abroad to intermingle in a mainly social environment to experience the diverse opportunities that exist in our ever-changing global community.

The *K9 Club* is dedicated to volunteering and fundraising for local animal rescue groups. Some groups they have worked with include the Harrisburg Area Humane Society, Pheonix Rescue Group, Bad Press, Dogs Deserve Better, Canine Companions for Independence, PAWS and much more.

Literati is an organization that fosters love of language, literature, and the creative spirit. It has hosted events such as Book to Movie and Shakespeare's Birthday, along with

publishing the on campus Zine "the Underground." This is Literati's second year.

Mad Cow is an all-audition improvisational comedy group that performs free shows on a monthly basis for the college community. They perform a mix of short-form improv games along with a plethora of games that we invented. Mad Cow also participates and performs in many service activities and off-campus performances. The 2007-2008 year marks the group's ten-year anniversary.

Marketing Club is designed to promote awareness of marketing in the world today. With activities including a trip to a marketing agency of interest to the club, students can learn about different areas of marketing as well as get to know different fields where marketing is applied. Students from numerous different majors are part of the club because they have a desire to study marketing or advertising or who are simply interested in marketing.

CLUBS AND ORGANIZATIONS

The purpose of *Tri-Beta Biological Honor Society* is to function as an honor and professional society for students of the biological sciences. Its activities are designed to stimulate interest, scholarly attainment, and investigation in the biological sciences, and to promote the dissemination of information and new interpretations among students of the life sciences.

The *Ultimate Frisbee Club* was created to help assure that there is a friendly and accessible environment for students to play Ultimate Frisbee on campus to which they promote the sport of Ultimate Frisbee on campus and within the community.

Vocalign is a co-ed a cappella group started by Emily Wise ('08) and John Barborek ('07) in the spring of 2006. It sheds a new light on a cappella at Etown by combining the voices of members of Phanlanx, Melica, and other students who have not previously

sung this type of music.

The goal of *World Affairs* is to enhance student body awareness with regards to International issues while fostering new and old bonds with peers interested in similar aspects of world affairs. The club members work to receive funding for trips to New York City and Washington, D.C. to visit museums and to host speakers from a variety of disciplines. Eventually, members of World Affairs would like to move into nation wide competitions for Model UN and other similar simulations.

WWEC-FM is the College's student managed and operated radio station. It too, like ECTV, is affiliated with the Department of Communications, and serves the College and local communities by providing music, news, weather, sports, traffic, and special programs.

The season appeared to begin with a grim start as the men's cross country team started off their first invitational of the 2007 year without several of their top runners. However, the Blue Jays displayed a strong start and promising future, placing third out of nineteen schools in the Delaware Valley College Invitational meet. With hope of a good season arising from first-years such as Chris Heisey, who took a top finish in the 8,000-meter course with a time of 28:48.23 and securing a 12th place finish in this meet, the team had much to look forward to. With several other strong team finishes during the season in meets such as the Davis & Elkins Invitational, where an eighth place finish by senior Ryan St. Clair led the Blue Jays to another third place finish. On their home territory at the Elizabethtown Invitational, the team ended the season with over 60 best times in only seven meets. Unfortunately, all of these team achievements were not able to score the Blue Jays another championship title in the Middle-Atlantic Conference after winning every previous year since 1999. They did make their mark still by placing third in the conference and 13th out of 41 in the Mideast Regional Championships.

“My four years as a student athlete at Elizabethtown College have been unforgettable. Cross Country and Track and Field have been successful due to the passion and dedication of my teammates and coaches. We're one big family - it's been a great ride!”

Meghan Ryder, Senior

”

With their first ever win in the Middle Atlantic Conference Championship in 2004 since the team began in 1981, the women's cross country team did not imagine 2007 would hold a second championship title with four runners placing in the top five of their events. Clinching their fourth place victory in the Mideast Regional Championships, senior Erin Fisher, junior Tiffany Kulp, first-year Kristen O'Brien, and sophomore Megan VanDenHengel all earned All-Region Honors by virtue of their top 35 finish out of 270 runners in the conference, while senior Sarah Grove closed the gap for the Blue Jays, finishing 67th overall and fifth in her individual race. After finishing four out of their five invitationals placing in the top five, the ladies went on to NCAA Division III Championships in Northfield, Minnesota to place 23rd overall out of 32 teams, and earning individual All-American Honors for Fisher, who placed 15th in the 6,000-meter race, and became the 2nd woman in Elizabethtown history to be granted this honor. According to Coach Christopher Straub, “We had an almost indescribable amount of teamwork and positive energy with the women's team this year and how we ran at conference, regionals, and nationals seemed to surprise everyone but ourselves.”

It was a season of firsts and honors this year for the Elizabethtown College Field Hockey team. With their accomplishment of their 500th win in the 56 year program history, the ladies celebrated their 2-0 win over Kean University with goals scored by sophomore Brenna Noon and junior Andrea Miles. Unfortunately, the winning season was cut short for the Blue Jays when Messiah College knocked the ladies out of the Commonwealth Conference semifinal in overtime, leaving the score to end 4-3. Even with this premature season ending, the Lady Jays were able to place three players on the All-Commonwealth Conference team, with sophomore Caitlin Smith on first-team and junior Megan Angstadt and Noon on second team. The Jays continued to show their skills, in the classroom, by becoming one of 115 schools with players who became members of the National Field Hockey Coaches Association Division III National Academic Squad, with 15 ladies being granted this membership. The honors continued when the college became one of the 83 Division III programs to receive the National Academic Team Award for having a minimum 3.0 team grade-point average during the first semester of the 2007-2008 academic year.

“

The hockey program continues to get stronger and stronger, and this year was no different. We had a great season, especially considering how tough our conference is. We will have a lot of returning starters coming back so we look forward to next season!

Fresh beginnings found the Elizabethtown College Women's Soccer team this season, with 1978 graduate Bob Scotten leading the team as head coach. Scotten came to the Blue Jays after Coach Barry Dohner stepped down in January. Completing the regular season with a record of 17-4-1, the ladies ended the Commonwealth Conference with a record of 4-1-0. After a rough defeat in the regular season by Messiah on October 27th, the record setting 11 game winning and 17 game unbeaten streaks was ended with a score of 5-2. Honors were presented to several players; with junior forward Jenna Russo named Commonwealth Conference Player of the Year. Seven other Elizabethtown College players earned All-Conference honors, three of which were on first-team, and the remaining four on second-team. Russo and senior midfielder Jenny Fromuth were furthermore selected to the National Soccer Coaches Association of America/Adidas Division III All-Mid-Atlantic Region team. Honors continued to roll in through the women's season, with Angela Freeland, Gretchen Geiger, Emily Gunter, Carly Hoskins, Brooke Dotterer, and Jamie Alvanitakis all being named Commonwealth Conference Defender of the Week separately throughout the season.

“

We had a very talented team this season and we were successful. One of our goals was to make it to the NCAA tournament and that's what we did. It was a fun season with a great group of players.

Emily Gunter, Senior

The Women's Tennis team set the tone for their season at the home opener against Albright (9-0) and only gave up seven games total in the match. The lady's this year had an amazing run finishing their regular season with a 13-4 record and 4-0 in the Commonwealth. In addition to overall team accomplishments, there were several individuals who made a mark for themselves as well. Three Elizabethtown College women's tennis players were named All-Commonwealth Conference as voted upon by the league's head coaches. Sophomore Emily Swarr was named Player of the Year and selected to the first team along with senior Emma Smith, while junior Alice Yu was a second-team selection. Yu also became the fifth player in Elizabethtown College women's tennis history to record 50 career singles victories. The Blue Jays earned their first-ever trip to the NCAA Team Championships with a 5-0 victory over Lebanon Valley College in the Commonwealth Conference finals. Despite their first round loss to Methodist (5-1) the team made college history this year. The Lady Blue Jays' should be proud of their ground breaking season and look towards their future endeavors.

“The tennis team won the 2008 Commonwealth Conference Championship, the first time they have won the NCAA tournament for the first time. I was so happy with the way the team came together this year. I recognized a group of girls, and I wish them the best of luck in the coming years.”

Volleyball Coach Scott Cox

For the women on the volleyball team, the 2007 season was a season to remember. Before they even started, the Jays were picked first in the Commonwealth Conference coaches' poll. Because of their hard work and determination, the Lady Jay's made this selection a reality. They started out strong winning their first seven games and continued to shine throughout the regular season and into the Conference Championships, ending with a final record of 32-7 overall, and 5-0 Commonwealth. After clinching the Conference title, the Jay's went on to the NCAA Division III tournament where they were eliminated from the second round after being defeated by Haverford College. Despite this upset, the Jay's had an overall magnificent season. Senior Kelly Downs was the first Elizabethtown College student to be named Player of the Year. Downs was also selected to play on the All-conference first-team along with senior Ashley Whitmarsh. Second-team honors were given to senior Stacey Wasserman and sophomore Paige Tanner. Tanner is also ranked 10th in the conference for averaging 2.77 kills per game. Coach Randall Kreider was honored as Coach of the Year for the second straight season. The Blue Jay's had a 29-6 regular-season record and earned top seed in the Conference tournament.

“We knew from day one that our goal was to be Conference Champs. As a team, we swore that we were going to give it our all to get there. Thankfully, that strategy worked well. We met very few teams that could outplay us.”

Beginning the season with a strong ten game winning streak, the Elizabethtown College Men's Basketball team finished the 2007-2008 season with a record of 15-9. One of these important wins came against Messiah College, where the Blue Jays demolished the Falcons 84-68. This season was lead by senior guard Mike Schatzmann who was honored with a first team placement to the All-Commonwealth Conference. Schatzmann also became the first Blue Jay to lead the conference in scoring average since Jim Hepfer in 1989-90, and averaged 20.2 points per game. In addition to this lead scoring, he led the Commonwealth Conference in three-pointers per game, and made 55 in 24 games. Along with these honors, Schatzmann was named to the Commonwealth Conference Player of the Week in men's basketball twice in just three weeks. Along with Schatzmann, senior forward Chad Piersol made second team honors in the All-Commonwealth Conference as well, and was selected to the Commonwealth Conference Men's Basketball Honor Roll. Along with a busy season playing games, the Blue Jays were able to host "Kid's Day" where fans could meet with the players, have autographs signed, and even meet with the Blue Jay mascot himself.

“From man to man as a team, we had left everything on the court at the end of the season, and I would not trade a moment with these fellows. Speaking as a senior, it was the best four years of my life primarily due to basketball.”

Erin Walton, Audrey Hitz, and Amanda Reid led the Etown Women's Basketball team through a rocky season, finishing with a 11-14 overall record. Although the Jays' overall record may not be the most memorable, Erin Walton, captain, set a school record with seven three-pointers when the Jays overtook Lycoming 82-75. The Lady Jays worked hard to help others throughout their season. They participated in the "Think Pink" initiative for breast cancer awareness in conjunction with their game at Albright College. For this event, the Jays wore pink shirts in warm-ups and pink shoelaces during the game. The Blue Jays also hosted a "Kid's Day" on the day of their doubleheader against Lebanon Valley College. This event allowed fans to meet members of the team, receive autographs, meet the Blue Jay Mascot, and to attend competitions where they could win fun prizes. Earlier in the season, seniors Erin Walton and Amanda Reid were both named to the ESPN The Magazine District 2 College Division All-Academic Third Team in women's basketball. These two Lady Jays earned this respected title by maintaining a GPA of 3.2 or higher after their first-year and must remain a valuable player to the team. The women's team fought hard in the Commonwealth but only managed to pull a final record of 2-8. Although seemingly daunting, their record only adds determination for next year's season.

“The season was filled with ups and downs but we had a good time along the way. I have really enjoyed playing the last four years of my career. My teammates have been great and I wish them all the best of luck!”

This year the team bonded very well and as a result did well during the regular season and championships. We had many parties in which bonding took place. Everyone had a great time, especially me! I will miss the entire team next year and wish them the best of luck!

The men's and women's swimming squads this year had a very challenging season finishing with final records of 5-8, 6-7 respectively. The men's team consisted of a nice mix of youth and experience, and was led by junior Chris Miller. The women's team had a lot of newcomers but plenty of experience, led by returnees sophomore Lindsay Riley and junior Gretchen Geiger. These two teams made many accomplishments as teams, as well as on an individual basis. Both teams qualified for the MAC competitions. The men's team finished fifth at last year's ten-team championship meet, while the women's squad placed sixth out of eleven teams. This year the Blue Jay women finished fourth out of nine schools with 413 points, while the Blue Jay men were fifth out of nine schools with 289 points. It was the women's best finish since 2000 and the second straight year that the men took fifth. For the women, Geiger took second in the finals of the 100 breaststroke, and for the men, Miller won his third consecutive MAC championship in the 100 backstroke with an NCAA Division III provisional qualifying time of 52.57 seconds. Gretchen Geiger earned an NCAA Division III provisional qualifying mark in the 200-yard breaststroke at the St. Mary's College Invitational. Dan McGuigan was recognized by the Middle Atlantic States Collegiate Athletic Corporation as a Scholar-Athlete for the 2007-08 winter sports season. He is the two-time defending conference champion in the 100 backstroke and 500 freestyle as well as the reigning gold medalist in the 200 backstroke. The teams look forward to another great season next year with a lot of experienced swimmers since they are only losing four seniors between the two teams.

ELIZABETHTOWN BLUE JAYS BASEBALL TEAM

The Elizabethtown Blue Jay's Baseball team had one goal this season: to win the Commonwealth Conference and to advance to the NCAA tournament for the third straight season. With sixteen-letter earner returnee's, this goal was not out of reach. The team was led by last years co-Conference Player of the Year, senior Jared Auman. Senior Chris Minakowski closed out the games for the Jay's. The Jay's started out their season with wins over Shenandoah and Eastern Mennonite. They then traveled down to Fort Pierce, Florida and went 3-4 during their time down there. The Jay's opened up their Commonwealth schedule by taking 2 of 3 against Widener. They then went on to sweep Lebanon Valley and Messiah, and took 2 of 3 against Albright to end their regular season. The Blue Jay's entered the Conference playoffs with a record of 10-2 and opened up with a win against Widener. However, they had a tough loss against Messiah in the second game, losing 4-15. They recovered well and won the next two games against Widener, and then Messiah. In the Messiah game, Chris Minakowski pitched a four hit shut out in his second career start for the Jay's. The Jay's unfortunately lost again to Messiah, 7-3, to end their hopes of winning the Conference title.

SOFTBALL SOFTBALL SOFTBALL SOFTBALL SOFTBALL

The Women's Softball team had a strong lineup, returning 11 letter earners from last year's season. From senior Alex Lee to senior Abbie Merrifield, these returnees were ready to make a stand this season. These players were some of the obvious leaders for this year's squad. First-year Shannon Marsion, an Elizabethtown native, was a fresh addition to the team in the outfield. The Lady Blue Jay softball team had a final record of 13-24 and a 5-5 in the Commonwealth. They started off the season strong with a record of 5-2, including a win against Gettysburg (4-1). After this however, the Lady's faced a streak of bad luck and lost the next seven games. They were able to keep their heads high and turn their luck around and opened the conference schedule with split games against Messiah, and swept Albright and Lycoming. They came into the playoffs with a 500-conference record and were able to defeat Widener and Messiah to reach the championship game. They finished as runners up in the Commonwealth Conference with a disappointing loss to Lebanon Valley College (4-3) in the 10th inning. This is the second straight year the Lady Jay's have had this finishing position in the Commonwealth Conference. The team looks to have a strong season again next year with only graduating three seniors.

“

Our overall record was no indication of what kind of a team we are. We are a strong team both defensively and offensively. We hit a slump with the bats not coming. When time came to end the job done, we took care of business.

Abbie Merrifield, Senior

Finishing the regular season with a record of 6-8, the Elizabethtown College Men's Lacrosse Team was able to move forward in the Middle Atlantic Conference tournament to finish with a record of 4-3. With continuous scoring from junior attacker Ryan McCafferty, who was named MAC Player of the Week, the Blue Jays were able to completely dominate several of their games. Along with earning titles for Player of the Week, the Elizabethtown Blue Jays were able to announce three players to become part of the All-MAC Team. With a second-team selection for senior defender Eric Peifer and first-team selections for both senior long-stick midfielder Gary Senese and sophomore midfielder Aaron Weher, the Blue Jays ended the season with high hopes for next year's return. Along with Senese's naming to the All-MAC Team, he was also granted the honor of competing in the USILA North/South Senior All-Star Game. This year, the Blue Jays were able to hold 10 of their 14 opponents to 10 goals or less, and defeat such rivals as Susquehanna, Immaculata, DeSales, and Lycoming, scoring over 50 goals in those games alone.

TENNIS TENNIS TENNIS TENNIS TENNIS TENNIS TENNIS TENNIS TENNIS TENNIS

The 2008 Men's Tennis season started out strong with a 9-0 win over Lynchburg and an 8-1 victory over Villa Julie. The Commonwealth Conference proved to be a close match between the Blue Jays and Lebanon Valley, but thanks to a three-set win at second singles by junior Jeff Kirkhoff, the Jays edged by for a 5-4 win. Kirkhoff defeated Tom Neckelmann allowing the Jays to beat the Dutchmen. After his great performances, Kirkhoff was named the Commonwealth Conference Player of the Week in men's tennis followed soon after by senior Andrew Voshell who also shared the title. The Jays swept past Lycoming with a 9-0 victory then went on to beat Albright 9-0 in an indoor Commonwealth Conference match at Albright. Later in the season, Etown fell to their Messiah rivals, but managed to come back strong taking down Goucher, 7-2. Sophomore Brok Walker, Kirkhoff, and first-year Bryan Metz were named All-Commonwealth Conference teams, as voted on by the league's head coaches. The Jays closed out their regular season strong with a 9-0 victory against DeSales University. Etown competed at MASCAC singles and doubles championships where senior Jim Dombach and sophomore Mike Steiner fished as runners-up at #3 doubles. Overall, it was a strong season for the Jays' men's tennis team.

“We were a young team last year and experienced a lot of success. While we recognize that it was tough to repeat what we accomplished last season, every one worked hard and took the steps necessary to put ourselves in a position to do well again. The team had a great attitude, and we all looked forward to the challenges that this season brought.”

Brok Walker, Sophomore

PARENT ADS

DANIEL • WOODHEAD

Dear Dan,

We are so proud of you. You are an amazing young man. We thank God everyday that he let us know you. We know you will be successful in anything you do.

Love, Mom and Dad

NICOLE • PODIED

Dear Nicole,

We are so proud of you! From dance recitals to soccer to cheerleading and everything in between, it's been fun watching you grow up. We love you very much and feel so blessed to have you for a daughter! Congratulations!

Love you lots! Mom and Dad

CHRISTINE • EMERICK

Chris, Congratulations!

You're one step closer to becoming famous. We're proud of you!

Love, Mom, Dad, Theresa,
Drew and Dexter ("the dog")

HILLARY • NEWHART

Congratulations, Hillary!

From your parents you learned how to love, how to laugh, and how to walk. Your love of reading and your semester at Herstmonceux helped you to discover that you have wings. You have made fine choices for yourself and we are all very proud of you. May your wings help you soar high so that all your dreams and ambitions come true.

All our love is with you.

Mom, Dad, Bob, Julia, and Joe

DANIEL • DEBES

Dear Dan,

It has been an amazing journey so far. From the time that you entered the world a bit early, until now, poised on the edge of your next great adventure you have been a source of pride and joy in our lives.

Your accomplishments would fill this page, and if history is any indicator at some point they will fill this book. As you go forward into the world, keep in mind the words of your Grandfather, "Do something great today!"

Love, Mom and Dad

WILLIAM • SECRIST

Dear Will,

"Teachers are those who use themselves as bridges, over which they invite their students to cross, then having facilitating their crossing, joyfully collapse, encouraging them to build bridges of their own." ~Nikos Kazantzakis

You now have the tools to improve someone's life. When that happens, the world becomes a better place. Your family is very proud of you. Continue to grow and affect positive change.

With love always, Mom

KATHERINE • TOSKEY

Dear Kitty,

We are so very proud of you and happy for you in all that you accomplished and experienced while at E-town. We especially appreciated you involving us, whether it was to visit, enjoy a meal at TJ Rockwell's, share our dream vacation in Australia while you studied in Brisbane, or most special, watch you perform at your music recitals. We have seen you grow in so many ways with each passing year, and know that you will be successful in whatever you choose to do. We will always be there for you.

Congratulations. Love, Mom and Dad

ALANNA • JUSTICE

Alanna, Congratulations on your graduation from Elizabethtown College! It seems like only yesterday that you were going to your first day of pre-school, and now you have earned your B.S. degree. In addition, you accomplished summa cum laude in three and a half years!

You have always made us tremendously proud of you and of all that you have achieved. We know your drive and determination will make you a success in graduate school and in all your endeavors. We love you.

Love, Mom and Dad

Katie,

We discover each day through your accomplishments the best of your Mom in your strength and care, your humor and love. We thank God for the woman you are. May you fly free!

Love,

Dad, John and Heather, Jacob and Amy, Leah and Simon, Aaron, Beth and Roberto, Amanda and Rick, and Uncles, Aunts, Nephews and Nieces

DANIEL • CHERIN

Dear Daniel,

You have already achieved so much in such a short time and today's milestone is yet another great accomplishment. But, it is your big, loving heart, your compassion for others, and how you've always shared your gifts that makes us most proud of the wonderful young man you are!

We love you. Mom, Dad and Chris

EMILY • WISE

Emily,

You have been a source of joy since you were born. We are proud of the confident woman you have become. Congratulations!

We love you!
Mom, Dad and Ben

LAUREN • CIRIAC

Dear Lauren,

Since before you took your first step, to this step you take now, you have filled our hearts with love and pride and joy. As you continue along your journey we wish for you the same love and joy in your life that you have filled ours with. We are blessed!

Love always,
Mom and Dad

ALEXANDER • SAHD

Dear Alex,

Watching you grow has been such a joy for us. Each accomplishment you've achieved along the way was preceded by complete determination and commitment. We are so proud of the fine young man you've become. Your smile warms even the coldest of days. Your passion for life is evident in all that you do. Your great, big heart fills our lives with love. Walk confidently into the future knowing that God and your family are always with you.

We love you! Mom and Dad

KIMBERLY • REGAN

Dear Kimberly,

You always had your own sense of style! We are so proud of you. Congratulations. We hope the world is ready for you and the incredible things you are going to do.

Love,

Dad, Mom
and James

Kim,

You have always been a great joy to all of us. We know that with all your talents you will be a great teacher.

We love you very much. God bless you.

Nonno and Nana

LINDSEY WEBSTER

Love Ya Dee Dee, Hope ya had a fun four years in college. I hope you don't get any crazy students like me!

Your Loving Brother, Chris

Lindsey, Congratulations!

Keep on following your instincts as they'll continue to serve you well. May you have a long and happy adventure ahead, inspire countless minds, and have many crazy, zany students like yourself and your brother. (Fun is where you find it!)

May you love and cherish all your children, even the ones that run on their toes (and stars!) and swing from trees!

Love always, Mom and Dad

CARLA BARAN

Dear Carla, We are overwhelmed with happiness and pride as you graduate from college. One of our greatest joys has been to see your hard work, focus, and determination result in a solid foundation for your future. May God bless you with health and happiness as you live your dreams.

We love you, Dad and Mom

LUKE HESELDEN

Dear Luke,

May you have the hindsight to know where you've been and the foresight to know where you're going. Good health, good luck and happiness today and everyday.

Love,

Mom and Dad and all your family

DEBORAH DARLINGTON

Dear Deb,

You've worked so very hard and you've achieved so very much. Your success has exceeded our expectations. We are very proud parents. You have become a smart successful young woman. Congratulations and may your best years be ahead of you.

Love, Mom and Dad

JAMES MELTON

Jim,

Congratulations on your graduation! You did it! We couldn't be prouder of what you have accomplished and the awesome young man you have become.

Best wishes for a bright, exciting and successful future!

Love, Mom, Dad and Linds

"Success is a journey, not a destination. The doing is more important than the outcome."

"It is good to have an end to journey toward, but it is the journey that matters in the end."

You have soared through your journey at E-town with your own wings and we are beaming with pride at your success. This is not an end, but a new beginning.

Life's a journey. Enjoy the ride. Love, Mom and Dad

MATTHEW ELICKER

Dear Matt,

From T-Ball to Ice Hockey. From Indian Guides to Peer Mentor. College has truly allowed you to grow and mature into the man who is ready "to serve tomorrow." We are all so very proud of you.

ZACHARY • BRADLEY

Zac, You have faced some difficult times these past few years and you were able to fight through them and succeed when some were doubtful. We are so proud of you and what you have accomplished.

You are a strong and determined person and we believe your determination will allow you to accomplish anything. Believe in yourself the way we do and nothing will be beyond your reach.

May your life be filled with love and happiness, and may all your hopes and dreams come true. We wish you much success as you begin another adventure in life. Never forget we love you and will always be there for you.

Love, Mom and Dad

ERICA • HAINES

We ♥ U Big Sissy! Congrats to U and your achievements! Best of luck and always keep your chin up!

Love, Mom, Joe, Kelly Jo and Joey, Jr.

"Wherever you go, go with all your heart." Confucius

Lauren --

It seems like only yesterday that you headed off to school for the very first time. A short dozen years later, you were starting at Elizabethtown College. Now in just a blip of time since we took you to Etown, you are at the end of your college days.

Your outstanding effort helped you surmount many obstacles along the way, and we are bursting with pride over all your accomplishments and for the wonderful young woman you have become. You have brought us so much joy!!

Everyone who knows you is aware of your gentle, kind and loving heart. May you allow it to guide you to find a world of happiness and success. Always keep your beautiful smile, and life will smile back at you.

We love you very much and are so very proud of all you have accomplished.

Mom and Dad
Ryan and Erin

MICHAEL • GRECO

Dear Michael,

We can't believe how far you've come—

From the young boy at the doorway on his first day of school, to the confident young man ready to embark on the next chapter of his life.

Your accomplishments throughout your college career have made us prouder than ever.

Love always, Mom and Dad

MEGAN • PERRY

Meggie! I can't believe my little girl has just graduated from college. You are a treasure and I'm so very proud of you and this accomplishment! Keep that energy and confidence babe and you can fulfill your dreams. UM says to ask for help anytime...but not money! G'mom loves you and says to create your own special sayings to keep people thinking! —Much love, Mom

Congratulations Meggie, my first, the first, how proud am I? Words can't begin to express. Always remember to stay confident and strong as your journey continues. I will always be there for you in your future endeavors for success. —I love you very much, Daddy

Congratulations Meggie! Good luck in your career as a downhill skier! If you should ever encounter tough times, just remember that a very wise man once said, "when elephants fight, the grass gets trampled" and that will solve all your problems! We love you!
—Aunt Lisa and Uncle Peter

KELLY • WEINER

Dear Kelly,

My sweet little girl with the angelic face has grown into a beautiful young woman inside and out. Your generosity and thoughtfulness come through in everything you do, and your determination to succeed is amazing. You have worked so hard and have achieved so much. I am so very proud of you!

Love you always, Mom

GARY • SENESE

Hey Gar—

We are so proud of you. Congratulations on your graduation—the best of life is still to come for you.

All our love,
Mom, Dad, Chris,
Meadow and Cracker

BRANDON•WATSON

Dear Brandon,

There is no possible way we could be more proud of you. You have grown into an outstanding young man. Your accomplishments will lead you into a bright future.

All our love,

Mom, Dad,
and Marissa

RYAN•SCHUTZ

Dear Ryan—

Thank you for brightening our lives with your cheerful smile, wonderful sense of humor and fun loving personality. We are extremely proud of you! May your journey ahead be filled with health, happiness and success.

Love you forever, Mom and Dad

KAITLIN•TUMULTY

Kaitlin...from here to there...from there to here...our graduate is everywhere!

We're so proud of you! Lots of love! Mom, Dad and Kevin

ASHLEY•HANNEKEN

Congratulations Ashley!

For all you are...
For all you have attained...
I am so proud of you!

Go confidently into the future...
Make today's success tomorrow's accomplishments.

Love, Mom

KRISTIN•BRYNGA

Kristin, We have been through so much together, from high school to marriage to college graduation and this is only the beginning. The future years will be exciting as long as we are together. I will be by your side for everything you do. Congratulations on your academic achievement and I can't wait to spend many more years of success with you.

Love, Chris

On behalf of the Conestogan Yearbook, our editorial board congratulations the Elizabethtown graduating Class of 2008. Our staff bids a fond fair well to our newest alumni. Best wishes and good luck in all your future endeavors!

COLOPHON

The Conestogan Yearbook, volume 86, was produced by a select few of Elizabethtown College students. Taylor Publishing in Dallas, Texas printed the publication, which was overseen by plant account executive Robert Porter. Elizabethtown College's local representative, Ed Patrick, Jr. offered assistance in production stages, financial matters, and contributed ample advice. Also from Taylor Publishing, Creative Artist Seana Litt aided in the hands-on aspects of the book. Individual student portraits, in addition to a vast majority of candids, were taken by DaVior Photography, Inc., a division of Herff Jones Photography, which was represented by account executive Mark Huff. One high-end Canon EOS Rebel XT_i was used for the campus life and club group shots, with all photographs being printed in the CMYK format. This year's cover was designed by the Conestogan staff, with support given by Blair Seifert from Taylor Publishing. The 2008 edition was produced using two Dell Optiplex 755 machines running Microsoft Windows XP and Adobe Creative Suite 3. In the Creative Suite, InDesign and Photoshop were used for layout design and image manipulation, respectively. Fonts that were applied throughout the book included, but were not limited to: Birch, CabalT, Goudy Old Style, Hurricane, MementoT, Psychatronic, RinnaT, SevilleT, and Trajan Pro.
